

User Guide

MSRTC GIS system is a user friendly tool designed to capture, analyze & display all type of data in a geographical form.

This system is developed by Riddhi Management Services Pvt. Ltd., Kolkata & Statistical Department MSRTC to bring out the thematic presentation of MSRTC.

For information of viewers, list of establishments i.e. Bus depot, Bus terminus, **Division** Office, Division Workshop, Region office, Central Workshop, Central Training Institute, Tyre Retreading Plant & Central Office are provided with customized filters.

Using GIS technology all these establishments are pin up on the map of **Maharashtra, to give geographical view at a glance.**

Following tabs are on the home page of MSRTC GIS.

1) GIS (2) MSRTC directory (3) User guide

Steps to use GIS & MSRTC Directory

(A) GIS:

- 1) Click on GIS tab.
- 2) If unable to view map download appropriate "**JRE i.e. Java**" on your computer. Link of JRE is given at bottom of the home page.
- 3) From available option click on "**WhizMap**".
- 4) To view **WhizMap** of Maharashtra click on "**State Maharashtra** "
- 5) To view **WhizMap** of Region click on desired Region.
- 6) **WhizMap**, for State or for Regions will be open in new tab.
- 7) In "Layers" Tab, click the check box for viewing MSRTC establishment.
- 8) For division name abbreviation, refer division code abbreviation.

(B) MSRTC Directory:

To locate MSRTC establishment on Google map following steps are required to be carried out.

1. Click on MSRTC directory
2. From available option click on "Filtered by" tab. Three options will be available
a) All data b) Location type c) Division.
3. "All data" option is by default.
4. After selecting "Location Type" option, click on desired establishment.
5. After filtering data by "Division", "Select Division" & "Select Location Type" pop-up menu will appear to choose desired establishment.

6. To view location of the establishment click on "**Location Name**" of desired establishment. View of that establishment will be available on Google map and Google Satellite map.
7. In each filter, *establishments are sorted on the name of Division* in which it belongs to.
8. Other places are those places where MSRTC provides extra services on account of fair.

Long Forms of Abbreviations in GIS Map

Sr. No.	Short form for Division	Name Division	Districts
1	AWB	Aurangabad	Aurangabad
2	BEED	Beed	Beed
3	JLN	Jalna	Jalna
4	LTR	Latur	Latur
